INFORMATION DISCLOSURE STATEMENT

Section 1. Preliminary Statements

Applicants submit herewith patents, publications or other information of which they are aware, which they believe may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 CFR 1.56(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner.

Section 2. Content of Information Disclosure Statement

This IDS contains an Office Action received in connection with a Japanese counterpart application, and three Japanese references cited therein. The claims pending in Japanese application are appended to the Office Action so that the Examiner can compare those claims with the claims in the instant application.

Appl. No.: 10/771,902 RCE. Dated: 07/14/2010 NOA Dated: 04/15/2010

The Applicant is submitting a translation of the Japanese Office Action received from its foreign associates. The three Japanese references are submitted in the Japanese language but include English-language abstracts.

Dated: 12/17/2010

Respectfully submitted,

/John P. O'Banion/
